Disaster Relief Reaches Home

Red Cross Gives Saline County Families \$2,097 after Flood

Saline county families received a total of \$2,097.01 in disaster relief from the National Red Cross following the flash flood on May 22.

This was revealed in a report given the Saline County Red Cross chapter by John Douglas, Director of Disaster in Illinois, at a meeting this week.

All cases were presented to a citizens committee made up of business men from Harrisburg, Carrier Mills and Eldorado and awards were made on the basis of the welfare of the family and the family's inability to meet their own needs.

When the total amount of disaster relief in Saline county was announced Alfred Adams, Saline County chapter chairman, noted that amount was only \$50 less than the total amount sent to National Red Cross from this county from the recent fund drive. The total amount collected in Saline county for both local and National Red Cross was \$4,815.42. However, the drive for funds is not closing until June 30, as many are still sending in contributions.

During the meeting Atty. Harry McCabe was presented a citation from the National Red Cross in recognition of his commendable service during the 1957 Fund Drive.

The annual meeting of the Saline County Red Cross chapter will be held at 7 p. m. Monday, July 22, at the Harrisburg National Bank. Every contributor of \$1 or more is a member of Red Cross and all members are invited to attend and participate in the election of officers and discussion of chapter activities.

Russell Malan, County Blood Program chairman, has been appointed chairman of the nominating committee to nominate officers for the coming year. Other members of the committee are Mrs. Scerail Thompson, Mrs. W. W. Chunn and Mrs. Nelle Meyers. During the meeting the resignation of Allen Murphy from the Red Cross board was accented with regret. Mr. Murphy has been an active board member of the Saline County Chapter of Red Cross since the days of World War I.

Mr. Malan reported that the Bloodmobile would be in the county next week. Thursday, June 20, the Bloodmobile will be at the Carrier Mills Masonic Temple and Friday, June 21, at the Elks lodge in Harrisburg.

Donors may come to the Bloodmobile at either location from 12 noon to 6 p. m. James Thornton is Blood Program chairman for Carrier Mills and vicinity and donors may register with Mr. or Mrs. Thornton or call the Red Cross office if not contacted by a recruitment worker.

Steaming Auto Results in Fire Call

A fire run was made at 2:50 p. m. Friday when it was reported an automobile parked in front of the First Methodist church was burning.

Fire Chief L. G. Martin stated there was no damage and the call was the result of a leaking radiator hose, allowing water to drip on the overheated motor, making lots of steam and smoke.

The automobile had been parked after lunch, but the driver failed to shut off the motor and after a couple of hours of slow running became hot.

Russ Grab Disarmament Initiative

LONDON (AP)—The Soviets seized the disarmament initiative from the United States by offering to allow establishment of international monitoring posts on Russian territory as the first step in nuclear weapons control, observers here said today.

The sources said Soviet delegate Valerian Zorin had beaten American representative Harold E. Stassen "to the punch" by presenting the latest Russian proposals before the five-power United Nations Disarmament Subcommittee here Friday.

Stassen had returned only Friday from Washington with a revised American plan for "small measured steps" toward disarmament. He had been under heavy fire from the Allies for "going too fast" and for revealing as much or more information on the still-secret plan to the Russians than he had to the West.

Gets Three Years, Big Fine for Tax Evasion

SPRINGFIELD (AP)—Robert S. Young, Collinsville, Friday was sentenced to three years in prison and a \$5,000 fine for income tax evasion and inducing an employee to commit perjury.

Federal District Judge Charles G. Briggles denied Young's plea for probation because of a prior criminal record. U. S. Atty. John B. Stoddard Jr. said Young operated a pinball machine business and "established the practice of reporting only one half" of the returns from his machines.

W. M. Elms Dies at Carrier Mills Home

Willie M. "Bill" Elms, 62, died in his home at 909 N. Main street, Carrier Mills, at 12:30 a. m. today. The body will lie in state at the Thornton funeral home until the funeral which will be held at 2 p. m. Monday at the Church of God on N. Main street, Carrier Mills. Rev. Paul Milligan will officiate and burial will be in the Salem cemetery.

Mrs. Josephine Capel Williams Dies Visiting Here

Mrs. Josephine Capel Williams, 86, died at the Lightner hospital at 11 p. m. Friday of a heart attack. She had been under treatment for several years, but did not become seriously ill until the dinner hour.

Born Josephine Capel, daughter of the late Robert J. and Mary Ward Capel, she was widowed and had lived in California for many years. She was in Harrisburg visiting with her brothers and sisters and their families. She was accompanied to Harrisburg about ten days ago by her daughters, Mrs. Ruby Barthell of El Centro, California, and Mrs. Josephine O'Connor of San Diego, with whom she made her home.

Mrs. Williams is survived by her daughters and the following brothers and sisters: Mrs. Sally Hill, James M. Capel, Mrs. Nellie C. Ozmert and Dr. Robert Capel of RFD 1, Harrisburg, and Mrs. Harry B. Barter of 14 E. Walnut street, Harrisburg, in whose home she was staying. Dr. J. V. Capel and Mrs. Emma Dorris preceded her in death.

The body is in the care of the Gaskins funeral home and funeral services will be held Monday, with Rev. R. J. Morman of the First Baptist church officiating. Burial will be in the original Capel plot at North America church beside her grandparents.

The family has requested that anyone who might wish to honor her memory with flowers, will please give a donation to the heart fund instead.

Civil Rights Bill Amendment Calling For Jury Trial Loses

WASHINGTON (AP)—President Eisenhower and the administration received the major share of the credit today for the House defeat of the jury trial amendment to the Civil Rights Bill.

Leaders on both sides of the issue agreed the administration was mainly responsible for its failure to gain passage. The House rejected the amendment by a vote of 199-167 Friday night after six days of argument.

One southern leader said he believed "last minute work by the White House" swayed enough Republicans to provide the margin for defeat.

The action resulted in a major victory for the administration since southerners had concentrated their main fight against the bill on the amendment.

Rep. Kenneth B. Keating of New York, GOP floor leader for the bill, said the defeat was due chiefly to the "very vigorous support" given by President Eisenhower and Republican Leader Joseph W. Martin (Mass.) to those fighting it.

The administration opposed the amendment on grounds it would render the Civil Rights bill worthless. Under it persons accused of violating court orders protecting civil rights would have been tried by a jury instead of a judge.

Final House passage is expected next Monday.

Jailed After Collision At Pauper Crossing

Two vehicles were damaged but no one was injured in a collision on Route 45, near the Pauper Crossing, at 8:40 p. m. Friday. Sheriff William Barrett, who made the investigation, said a car driven by Louie Manley of Harrisburg hit a pickup truck driven by Cletis Wiley, RFD 2, Carrier Mills. Following the collision the Pontiac slid off the highway and into a ditch.

Barrett states both vehicles were being driven south on highway 45 at the time of the accident. Manley was arrested and placed in the county jail and charged with reckless and drunken driving. Sheriff Barrett said.

Five Traffic Violators Fined in J. P. Court

Five traffic violations—four for speeding and one for running a stop sign—were heard by Justice of the Peace Oliver Woods Friday. All drivers were found guilty and fined \$16.40 each.

Fugitive Caught at Benton Fire

BENTON, Ill. (AP)—Joe Rogers, 22, stopped to watch an early morning blaze at a furniture store here and was promptly arrested by deputies who recognized him as the man sought for the rape of a 50-year-old woman.

Rogers, a native of Buffalo, S.C., was dishonorably discharged from the Army, authorities said. The assault had taken place in nearby West City.

Firemen from two communities, Benton and West Frankfort, fought the blaze at the B & C Furniture Co. for four hours. Authorities said it began in the basement and burned its way through the floor, destroying a supply of washing machines, television sets, and radios.

At least five nearby business firms suffered smoke damage. Police evacuated families from apartments near the blaze. One Benton fireman was overcome by smoke, but recovered and was back fighting the fire within 10 minutes. No estimate of damages was available.

Large crowds gathered to watch the fire. Rogers was standing among the spectators when an alert deputy spotted him.

The streets were full of trees and wires and loaded with traffic. When I finally got home, the firemen and a lot of people were

Senate Okays Ike's Foreign Aid Program

Rejects Attempts To Cut Amount; Only Minor Changes

WASHINGTON (AP)—President Eisenhower's foreign aid program, virtually unscratched after a three-day Senate battle, landed in the House today with prospects for early approval badly clouded.

The Senate authorized \$3,637,000,000 in aid funds by a 57-25 vote Friday night. Final passage came after a 13 1/2 hour showdown session in which the Senate rejected all attempts to cut the program and wrote in only four minor changes.

Eisenhower has waged a vigorous fight in behalf of the program and the administration was openly happy at the Senate action.

Secretary of State John Foster Dulles conveyed that feeling to Senate Democratic Leader Lyndon B. Johnson (Tex.) in an informal visit to Johnson's office a few hours before the final vote. Johnson and GOP Leader William F. Knowland (Calif.) led the fight in behalf of the bill. The bill only "authorizes" the program. Congressional budget-cutters will make a determined effort to trim it when actual appropriations are considered later by the House and Senate. The House has not yet acted on the authorization measure.

Ingram and Miley Rites to Be Sunday

The funeral of Mr. and Mrs. Robert J. Ingram and their daughter Mrs. Delmas Miley, who died in an automobile accident near Cross City Florida on Tuesday, will be held at 2:30 p. m. Sunday in the Gaskins funeral chapel. The Rev. Joe Morman of the First Baptist church will officiate and burial will be in Sunset Hill cemetery.

In addition to his daughter, Mrs. Glen Gidcomb, who is arriving from Florida with her husband for the funeral, Mr. Ingram is survived by his sisters, Mrs. Frank Remley and Mrs. Frank Peck of St. Petersburg, Florida. Another sister and two brothers have preceded Mr. Ingram in death.

To Start Excavations June 17 on Hopewellian Indian Mound Near Gorham

SPRINGFIELD, Ill. (AP)—The Illinois State Museum has announced that its archaeological operations will be centered at two prehistoric Indian sites in Jackson county in southern Illinois this summer.

Dr. Thorne Duell, museum director, said that excavations were to commence June 17 at what is thought to be a Hopewellian Indian mound on the Weber farm northwest of Gorham. An apparently Archaic Indian camp site north of Grand Tower will also be investigated later in the season. Excavations should continue for 10 weeks.

The museum decided to excavate these sites, Dr. Duell said, after failure of property owners in Randolph county to agree on legal details of ownership of land where Modoc Rockshelter is located. The Rockshelter, excavated and studied by the museum in recent years, was discovered to be one of the oldest dated Indian camp sites in North America.

The Jackson county sites, Dr. Duell added, are expected to shed new light on the Hopewellian and Late Archaic Indian cultures never studied in great detail from that county.

Seventy years ago the Smithsonian Institute, of Washington, D. C., supervised scattered archaeological investigations of Hopewellian mounds in Jackson county, but Illinois museums have few materials representative of the culture from that part of the state. Hopewellian Indians are believed to have lived in Illinois about 2,000 years ago with their culture—at that time unsurpassed for trade, government and art—spreading from Illinois, Indiana and Ohio to other parts of the eastern United States.

Dulles Celebrates 50 Years a Diplomat

WASHINGTON (AP)—Fifty years ago today Secretary of State John Foster Dulles got his first taste of world diplomacy at the Hague Peace Conference.

President Eisenhower planned to mark the occasion by sending Dulles a letter of congratulations. Dulles planned to spend the day at his home in the Rock Creek Park section of the Capital. But on Monday a belated anniversary party is being given him by his office staff. The staff will present him with a collection of his famous penciled "doodles" which he scrawls as he thinks.

The Late Archaic culture preceded the Hopewellian way of life by 2,000 years.

From the Hopewellian mound, the museum hopes to obtain materials that can be compared with objects found from that culture in Fulton, Hardin and White counties. Comparison gives scientists a better idea of the distribution and range of the Hopewellian culture in Illinois.

The camp site may yield evidence of Late Archaic Indian life similar to that found at Hardin county's famous Ferry site and in the upper layers of Modoc Rockshelter in Randolph county, making the Modoc study more complete.

In excavating such sites, museum scientists hope to reconstruct the life, culture and customs of Illinois' inhabitants of thousands of years ago.

Melvin L. Fowler, curator of anthropology, will direct this summer's field work with a crew of 10 college students. Fowler has been in charge of archaeological operations for the museum since 1951.

Small Loans Bill Signed By Stratton

SPRINGFIELD (AP)—A bill permitting small loans firms to make loans up to \$800 was signed into law Friday by Gov. William G. Stratton.

The bill which hikes the allowable loans maximum from \$500 to \$800, also makes other changes in the Small Loans Act which caused much controversy and debate in the Legislature.

Stratton also signed into law a bill re-naming Salem State Park. The new title is "Lincoln's New Salem State Park."

The park, which contains restorations of the original buildings of the village of New Salem where Lincoln lived, has been popularly known as New Salem park. Bills designating Lake Murphysboro and Wolf Lake in southern Illinois as state parks were also signed by the governor.

Another measure signed by Stratton, authorized river conservation districts to issue bonds which will be paid off by revenue from the facilities constructed by the districts.

Stratton vetoed a bill increasing the legal liability of the father of an illegitimate child, and setting up a blood test system to determine paternity. The governor objected to the legal procedures involved and said the subjects were covered by other pending legislation which he deemed superior.

Hits Southeast Section; 1,000 Homes Damaged

Jacksonville Has Five Injuries After Storm Strikes There

By RAYMOND COFFEY
United Press Staff Correspondent
SPRINGFIELD, Ill. (AP)—An army of volunteers struggled to set Springfield back on its feet in the wake of a tornado and a 106-mile-per-hour windstorm which killed three persons and injured at least 60 others.

Heavy rains served as a cloak for the twister as it roared into the southeast section of Springfield Friday, uprooting trees, ripping off rooftops, and causing damage to an estimated 1,000 private residences.

Mrs. Anna Belle Larson, 37, was killed when a tree snapped a power line top of her while she was bicycling.

Struck by Lightning
Mrs. Paul Farley, 60, was killed as she attempted to herd her three grandchildren to a place of refuge. A surge of wind dislodged her home from its foundations, pinning her beneath the living room floor.

Carl R. Applegate, 45, was struck by lightning as he and his brother, Hugh, operated a handcar along a railroad right of way. Applegate was pronounced dead at St. John's Hospital. His brother was knocked unconscious by the bolt.

More than 60 persons reported to hospitals for treatment of injuries ranging from cuts and bruises to broken arms and legs. Many others apparently sought private medical service.

Train Blown Off Tracks
An Illinois Central freight train was sidetracked by a powerful blast of wind that sent 11 cars sprawling alongside the tracks.

Earlier, nearby Jacksonville was raked by a tornado which injured at least five persons and left 20 homes in a state of damage.

Families emerged from basements following the tornado and set to work with volunteers from neighboring cities cleaning up the damaged areas.

Police Sgt. Edward W. Ryan said there were reports of trees pulled "right up by the roots" which landed on streets two blocks away. Clearing of the streets was accomplished in short order, he said, and traffic was flowing smoothly.

Police Prevent Looting
A police cordon was set up around the most heavily damaged area to prevent looting, Ryan said. "Those homes are wide open. We're keeping the sightseers away—just in case," Ryan said.

Some 20 homes were completely destroyed, another 200 seriously damaged, but including all types of minor damage "at least 1,000 homes" are on the casualty list, said Ryan.

Persons dispossessed from their homes took up temporary lodging in two school buildings, while friends and neighbors came to the aid of others. The path of the heavy winds extended in a northeast direction from Jacksonville to Kankakee. Police said that five feet of water submerged roads at Jacksonville on Ill. 4, 36, and 54. The heavy rains also caused flooding in the subways at Springfield, but the water soon subsided.

Chicago Fraud Figures Mount

CHICAGO (UP) — Losses due to fraud in the county treasurer's and county clerk's office may nearly double the \$2,500,000 theft by Orville Hodge, State's Atty. Benjamin Adamowski indicated Friday. Adamowski, who has been investigating an alleged multi-million dollar fraud in the treasurer's office, said his investigation had extended to the county clerk's office where, he said, "at least one million" dollars had been stolen. The investigation covered the terms of several treasurers. "This is the most unconscionable mess I have ever seen," said Adamowski. Investigation of the county treasurer's office was first sparked by a report of irregularities submitted by Treasurer Herbert C. Paschen. In following up Paschen's report, Adamowski said his auditors had uncovered additional tax foreclosure frauds totalling \$3,000,000.

It was sad indeed the way you had to die
Without a chance to say good-bye,

To those who loved you so well.

"Facing Family Tensions"

June 16, 1957
"FACING FAMILY TENSIONS"
Genesis 37
GOLDEN TEXT: "And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you."

INTRODUCTION—This lesson from the Bible is as modern as this morning's newspaper. One does not have to be a psychologist nor a social worker to know something of the emotional tensions in so many homes today. Homes are going on the rocks daily because of emotional disturbances. Most of this is caused by sin.

Let this be understood here and now, that not all emotional disturbance is caused by sin. There are some very fine Christian people who today are emotionally disturbed because of sorrows or losses or providences beyond their control. However, we do repeat that most emotional tensions in the home are caused by sin on the part of one or more people in the home.

In the case before us in today's lesson it is easy to trace the cause of the emotional tensions in Jacob's home.

I JACOB'S HOME (Genesis 37:3-8)
Jacob's children were wrong in their attitudes toward each other. Let's look at Jacob's background.

1. HE PRACTICED MULTIPLE MARRIAGE. Jacob was the father of children by four different wives. This is called polygamy. This practice has always been against God's will. God's plan for the home has always been one man and one woman. Anytime a man or woman violates this rule of God, they are asking for trouble. It is the cause of more distress and emotional tension than most any other single thing today.

2. HE FAVORED ONE SON. It is always a mistake for either, or both, parents to favor one child in the family. Sometimes parents will commit this sin unconsciously. Parents should always be very careful never to favor one child more than another. Jacob should

have remembered how this very thing had caused trouble in his own childhood when his mother favored him more than she did his brother, Esau.

3. HE MADE JOSEPH A SPY. Jacob sent his favorite son, Joseph, out to spy on the other sons. He was told to check the flocks that his brothers were tending. Of course, the brothers resented this. Furthermore, there was no loving wife and mother at home to help ease these family tensions.

II JOSEPH HATED BY BROTHERS (Genesis 37:23-24)
Joseph was blessed with some rare capabilities. He had some very fine characteristics. He had a good mind. At the same time he appears to have been a little haughty and arrogant as a young man. For instance, he perhaps should have kept his dreams to himself. At least he could have told his dreams to his brothers in a way so as to not have aroused their anger.

By the way Joseph related his dreams, he must have made his brothers feel that they would soon be his slaves. This did arouse their anger. They colored him of his coat of many colors and cast him into a pit. (By the way that beautiful coat no doubt caused part of the jealousy. Their dad had given them no such coat.)

III JACOB'S HEARTBREAK (37:28-34)

Jealousy turned to hatred and hatred to the desire to kill. This is always the path of envy, hatred and jealousy. Jesus says that if you have hate in your heart you are already guilty of murder.

Those brothers would have slain Joseph that day if Ruben had not begged for his life. Joseph was sold into slavery instead of being killed, which could have been worse than death. However, let's not forget that God was working in his life just as He does in ours today.

Those brothers killed kid of the goats and smeared its blood on Joseph's coat of many colors. They

took that coat and gave it to old Jacob and told him that Joseph had been devoured by some evil beast.

Jacob's heart was broken. His favorite son was dead, or, so he thought. Don't you know that many of his own past sins passed through his mind causing him to wonder if this were not punishment for those sins?

CONCLUSION—Jacob's home was full of emotional tensions. These were brought on by sin and wrong attitudes. Homes are torn asunder today for exactly the same reason. Men and women ought to think much before getting married. When they promise before God and the witnesses present to live together until "death do us part" they ought to realize the seriousness of it. Marriage is for life. Homes established on a Christian foundation will not fail.

WEDDING DAY

"With this ring I thee wed."

Our marriage is beginning where a marriage should begin—in Church. Our hands meet across the Bible. My eyes fall to the printed page, and the verse I see there is so appropriate that I catch my breath in awe and amazement.

Here is the story of a king who long ago sought for a virtuous woman and was told that her price would be far above rubies. Here are detailed the qualities that a truly virtuous woman would have—faithfulness, industry, thrift, compassion, courage, strength, honor.

As I look up at my new husband, I feel a surge of humility. I make a silent pledge that these words in Proverbs will be my guide as his wife. They're a challenge, I know. A big challenge! But, with the help of the Church, I'm going to try to live up to them.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Big Klu Returns to Lineup With Homer, Double, Two Singles; Cards Lose Thriller

By MILTON RICHMAN
United Press Sports Writer

Big Ted Kluszewski was "a bit disappointed" today, which baffled the Cincinnati Redlegs no end because all he did was slam a homer, a double and two singles to keep them within a half game of the National League lead.

Kluszewski, off the disabled list only two days, went on his tear against the New York Giants Friday night in pacing the Redlegs to a 5-4 victory that snapped their four-game losing streak.

So what's he unhappy about? Just this:

"I loused up a great opportunity in the ninth inning," he chided himself. "Red Worthington gave me a real good pitch and I should have put it in the seats. Instead, I flied out to right field."

Back in the Cincinnati lineup only the second day after being sidelined all season, Klu connected for his homer with one on in the sixth off one of Stu Miller's "gravity pitches." That broke a 1-1 tie and put the Redlegs ahead to stay.

Braves Hold Lead

The Milwaukee Braves clung to first place with a 10-2 victory over the Philadelphia Phillies; Junior Gilliam stole home with two out in the 10th to give Brooklyn a 2-1 thriller over St. Louis, and the Chicago Cubs snapped Pittsburgh's five-game winning streak with an 11-5 decision.

In the American League, the White Sox maintained their four-game lead by humbling Washington, 10-4, while the second-place Yankees crushed Kansas City, 10-1 with the help of Mickey Mantle's 19th homer. Cleveland topped Baltimore 7-2, and Detroit wiped out a three-run deficit to beat Boston, 5-4.

Southpaw Warren Spahn of the Braves posted his seventh triumph as his teammates racked four Philadelphia hurriers for 13 hits, including Hank Aaron's 17th homer with two on. Spahn yielded only three hits.

Gilliam made his game-winning steal of home with the bases full when young, Lindy McDaniel took too long a windup. Ken Boyer put the Cards ahead with a second inning homer but the Dodgers tied the score in the sixth on a walk and two singles. Don Newcombe pitched an eight-hitter for his fifth victory.

The Cubs rapped out 17 hits, including four by newly-acquired Chuck Tanner, in sending Ronnie Kline down to his ninth setback. Rookie Dick Drott was the winner although prosperity went to his head with an 11-1 lead in the eighth and he gave way to Don Elton. Ernie Banks had a home run and a pair of doubles for the Cubs in their biggest run total of the campaign.

Stobbs Loses 11th

Al Lopez' White Sox turned on luckless Chuck Stobbs for four runs in the first inning and six more in the fifth as the Washington southpaw suffered his 11th defeat of the year against no victories. Walt Dropo homered in the first inning. Dick Donovan had a shutout until Jim Lemon and Bob Usher tagged him for homers in the ninth. That brought in Bob Keegan, who gave up a homer to Eddie Yost before retiring the side.

The Yankees knocked out Wally Burnette with a five-run outburst.

Durelle, Anthony Fight a Draw

DETROIT — Yvon Durelle headed back to Canada and his fish nets today, hopeful that his draw Friday night with top-ranked light-heavyweight contender Tony Anthony will boost him into the 175-pound title picture.

Durelle thought he won the nationally-televised 10-round, but nevertheless he was pleased with the outcome because he entered the ring a 4-1 underdog.

Anthony was anything but pleased with the decision because it put a serious crimp in his hopes for an early shot at Archie Moore's light-heavyweight crown.

Durelle, who comes from Canada's fightingest family, had Anthony on the ropes at the finish after throwing everything but the referee at his opponent.

Goodman and Dick Williams Do All Right For New Ball Teams

By United Press
Dick Williams of the Cleveland Indians and Billy Goodman of the Baltimore Orioles didn't take long to make themselves at home with their new ball clubs.

Williams, acquired from the Orioles Friday for center fielder Jim Busby, hit a home run, a double and a single to lead the Indians to a 7-2 victory over his old mates Friday night.

Goodman hit his first homer of the current campaign in the same game only hours after the Orioles picked him up from the Boston Red Sox in a straight player deal for pitcher Mike Fornieles.

The driving privileges of Billie Lee Wilson were not suspended for 30 days along with 30-day suspensions for two other Harrisburg youths at Shawneetown, after their pleas of guilty in Gallatin county court to reckless driving this week. A Register story had stated that all three lost their driving privileges 30 days. All, however, were fined \$100 and costs.

Disc Jockey Gets onto

Police Radio Network

BUFFALO, N. Y. — A phantom disc jockey invaded the police radio network of several western New York communities recently to air the latest in hit tunes, news, sports and commercials.

The program disrupted intercommunity communications so police radio operators were barely able to dispatch patrol cars to trouble spots.

Police finally traced the call letters of the FM station to WRRN in Warren, Pa.

Karnes Hurls One Hitter in Kiwanis Play

Epperheimers downed Ridgway 14-13, Ridgway beat Vicks 16-11, First Baptist downed Jackson Drugs 4-2 and McKinley Baptist defeated the Buena Vista fireballs 9-3 in Kiwanis league play Friday.

Belmont Pits Ruler Against Gallant Man

NEW YORK — Bold Ruler, a giant of a horse with a tremendous stride, and Gallant Man, a little colt with a fighting heart, clash today in the 89th running of the \$114,300 Belmont Stakes.

Five other three-year-olds were entered in the mile and one-half climax of the Triple Crown classics. However, interest centered on Bold Ruler, the Preakness Stakes winner, and Gallant Man, who was nosed out of a Kentucky Derby triumph by Iron Liege when Willie Shoemaker, his rider, misjudged the finish line.
